<b>Total</b>	<b>60,467,915</b>

**USD 60.4 million** was mobilized by UNCDF/LoCAL from donors and parallel funding from governments

# Mediating local level's direct access to climate change finance

- **5** LoCAL countries (**Bhutan**, Benin, Cambodia, **Tanzania** and **Mali**) have nominated a national entity to get accredited to GCF, engaged with LoCAL
- In **Benin**, the **FNEC** was accredited as a GCF NIE and preparing to access GCF
- **Cambodia** has reached the final stage of the GCF accreditation process
- **3** LoCAL countries are preparing a proposal to the GCF through a Multilateral Entity (**BOAD**)
- **Blended finance** and local revenue generation (MIF and LFI)

# Local Climate Adaptive Living Facility (LoCAL)

Thank you.

Sida
