

THANK YOU !

Dear Participant,

We would like to thank you for participating to the GCCA+ Africa Regional Conference 'Climate-Smart Africa: Harnessing Growth and Protecting the Gains', which took place at Kigali Conference Centre, Rwanda from 15 to 18 October 2019.

We were delighted by the quality of the exchanges, the engagement of the participants over the three days as well as by the positive results of the event assessment, which showed that more than 80% of the participants rated the conference as very good to excellent.

All of this would not have been possible without the participation of each and every one of you. We hope you will enjoy the conference material we are sharing with you today and in the next days: videos of the conference and well as presentations, speeches, interviews. We hope you will share them so to reach an even wider audience. We will be sharing photos and list of participants, please credit the photos ©GCCA+ 2019 and ask for permission before publishing other colleague's images.

We are particularly grateful to those of you who invested their time by personally and institutionally support in the preparation phase and during the conference in Kigali, participated as speakers, prepared their stand at the "market place", provided material for the Communication award, and to all of you who were there to share their thoughts, their knowledge and best practices for a common goal.

GCCA+ Regional Conference - Africa

Climate Smart Africa: Harnessing Growth and Protecting the Gains
Kigali Conference Centre, Kigali
October 15-18 2019
