

The Global Covenant of Mayors for Climate & Energy is an international alliance of cities and local governments working to achieve a low-emission and climate resilient future.

The GCoM serves cities and local governments of all sizes in all parts of the world.

The movement supports ambitious, measurable, planned climate and energy action in communities.

It achieves this by working closely with city and regional networks, national governments, and other local and international partners.

GLOBAL COVENANT
of MAYORS for
CLIMATE & ENERGY

An Interconnected Global Alliance of Partners & Cities

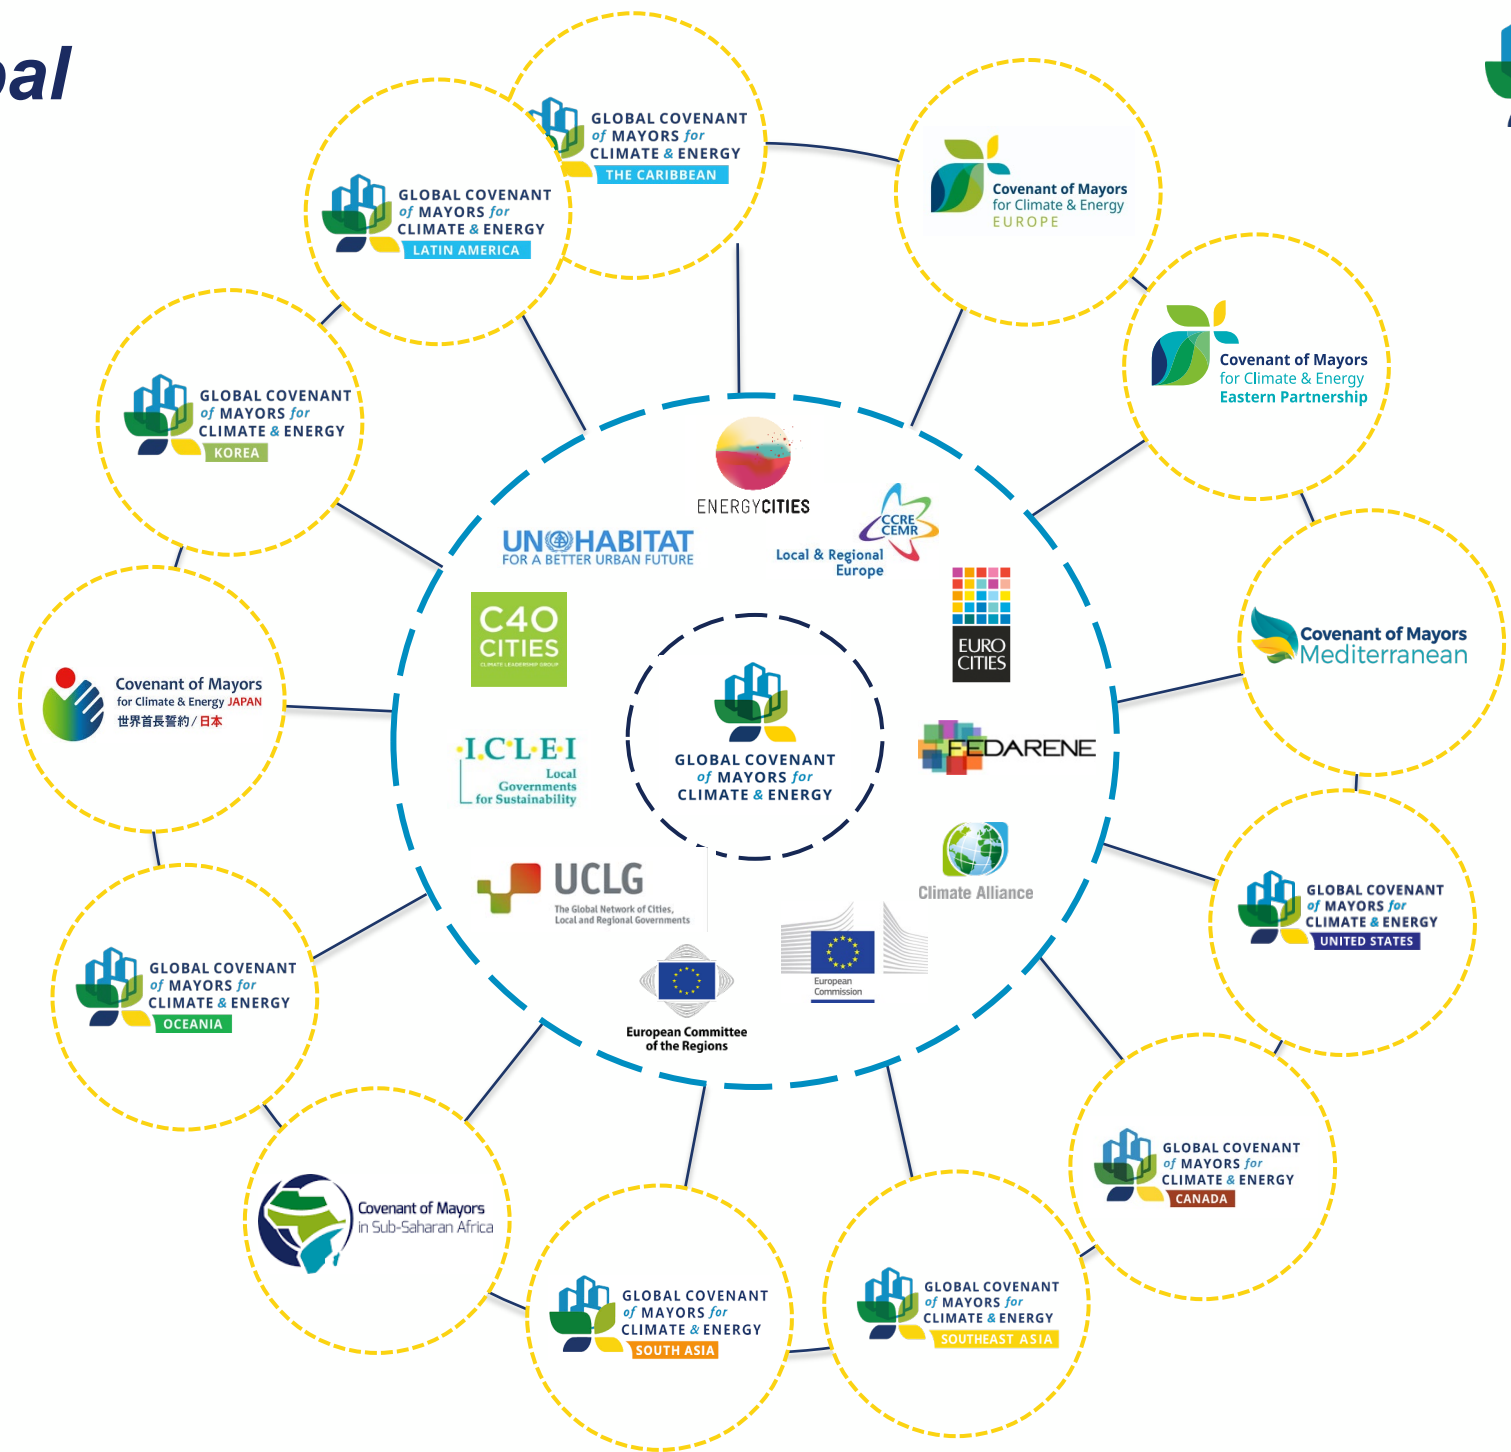

13

Regional/National Covenants of Mayors established worldwide.

14

Helpdesks providing targeted support to signatory cities.
